

Meetincs - New

UNIQUE IN LUXEMBOURG...
HAVE YOUR INTERACTIVE ENTRANCE !

Pictures tell more than long speeches.. Have a look at our videos..
Meant for entrance halls, exhibition stands, show rooms, meetings..

How does it work ? Click on the picture to see a short video...

An interactive picture projected onto the floor.... While you walk on it, water will move, the ice will break.. you may play soccer and shoot at the goal...

Make the point for your team, for your company...

Attract visitor's attention...

For renting (other animations available) do not hesitate to call !

has stoeln the GroundFX is a product of GestureTek Canada
